Kramer ran in listless (ashion, and after covering the first two miles was 100 yards behind Nick Gianakopulos, who had worked into the lead from the 205 yard mark. The meet was the best conducted of all the games held this winter and a refreshing feature was the excellent and fearless work of the referee, Fred Delaney of the Xavier A. A. He was severe on the jostlers and cheaters who run inside the border and ruled several men out of the prizes after they had violated the rules.

J. Connolly of the Knights of St. Antony

Hugh Hirshon of the Irish American A. The Yale basketball team cheerfully braved the wrath of the A. A. U. last playing the Crescent Athletic lub five of former collegians at the Crescent clubhouse in Brooklyn. The Crescent team won 32 to 25.

During the first half the play was close and also rather slow at times. The five Yale players all went up the field when they had the ball and gave Lee, the old Columbia star, and Dingee, the Crescent guards, almost too big a task to handle. As a result of these tactics the Blue team kept scoring about as often as the Cres-

but Dingee, the Crescent captain, dropped in a field goal from the middle of the floor and put his team in the lead.

## THIRTY THOUSAND GO TO SEE ONE CUP TIE

Milwall Doubles Admission Fee, Yet Packs Park for Game With Bradford City.

SWINDON TOWN OUT OF IT

Bolton Eliminates Sturdy Team of Fighters From English Soccer Series, 4 to 2.

Special Cable Despatch to THE SUN LONDON, Jan. 31 .- Intense excitement prevailed throughout the country this afternoon owing to the second round of the English cup ties being played and with the weather conditions perfect large crowds turned up at each of the games to see the fight for entrance to the third round. No league games were set for decision, as the clubs which figured in the first round of the cup kept this date open, in the hope that they would appear again, so those who were knocked out arranged those who were knocked out arranged friendly games between themselves.

The most attractive tie to-day was played at Bolton between the Wanderers and Swindon Town. The latter have a wonderful record as cup fighters and always are looked upon to go far into the competition, but they realized to-day that a big effort was necessary to keep up their reputation. A great number of loyal Swindon supporters took the journey morth, but were disappointed fourney north, but were disappointed bitterly to see the sturdy Boltonians knock out their favorites by 4 to 2. The draw for this round did not favor

London clubs, as only two were drawn to play on their own ground. Splendid struggles were seen in each case. Milwall doubled the price of admission for its tie with Bradford City, but an enormous crowd of 30,000 packed into the ground and saw Milwall win a desperate ground by the only goal scored. It was game by the only goal scored. It was a pity that two London clubs should come out of the hat together, as of course it means the elimination of one. West Ham United had Crystal Palace as opponents and supporters of both clubs turned up in great force and saw West Ham with by 2 to 8.

up in great force and saw West Ham win by 2 to 0.

Tottenham Hotspur had to journey to Manchester to tackle the City team, and were confident of making a draw, but just lost a close game by 2 to 1. Exeter City entertained the present cup holders, Aston Villa, but the famous Villans rose to the pocasion in fine style and to the occasion in fine style and won by the same score. Queens Park Rangers did splendidly to win their away game with Swansea Town, and together with Milwall and West Ham United represent the only London clubs now left in the competition. The draw for the third round to be mayed on Saturday. the third round to be played on Saturday February 21, will take place in Londor next Monday. Quite a feature of to-day's games was the fine play of the home clubs. Eleven won outright, four lost and only one drew, which game will be replayed on Wednesday next at Sheffield. The results
